AGOURA HILLS, CA

Zazil Mijares is AM Lien Solutions' Operations Manager. Zazil is responsible for working with each of our clients to implement the Lien Resolution/Litigation service that best fits their needs. Zazil designs and manages all performance measurement tools to ensure goals are being met. In her role as Operations Manager, Zazil manages all AM Lien Solutions staff, while staying hands on and negotiating files as well as appearing at all WCABs. Zazil is passionate about our mission to provide aggressive defense of liens on California Workers' Compensation claims and providers training to all of our clients annually.
