LIEN LITIGATION – TIPS FOR EFFICIENT LITIGATION

- Preparation is key!
 - Utilize the [WCAB Court Calendar](#) to confirm your Lien Conference is one of the “three per session”
 - Contact all parties and confirm telephonic appearance
 - Confirm all parties received discovery
 - Come to an agreed upon disposition
 - OTOC
 - Continuance
 - Set for Lien Trial – expect delays as LT are not*
 - Pre-fill the PTCS via email with all parties included*

*WCJ are currently instructed to not allow Lien Trials to be set ☹️

Outweigh the cost of continued delays in litigation vs resolving the lien

Lien Trials can be complex and will be difficult to handle telephonically

LIEN LITIGATION – COST BENEFIT ANALYSIS

LIEN RESOLUTION TIPS

LIEN RESOLUTION TIPS – FATAL FLAWS

FRAUD

- SB 1160 STAYS ANY LIEN UPON THE FILING OF CRIMINAL CHARGES
- SB 1160 ALLOWS FOR SUSPENSION OF FRAUDLANT PROVIDERS FROM WC SYSTEM
- **SUSPECTED FRAUD IS NOT THE SAME!**

DEFECTIVE LIEN FILING

- 4903.8 (d) – Party signs under penalty of perjury that services/products billed were actually provided and that the billing submitted is true and accurate
- 10550 (d) - Proper Identification of the Parties and Lien Claimants – Assignment should be disclosed and a copy of assignment filed
- 10770.5 – Verification to Filing Lien Claim
- 4903.05 (c) – For all liens filed on or after 1/1/17

STANDING

- 3rd Party without a valid Assignment – Provider of Service is not the Lien Claimant
- FTB Status Suspended – Can't collect from the date their Business License is suspended
- Licensing – They must have been licensed at time of service under their Professional Industry (Medical, Pharmacy, Laboratory, etc.)

LIEN RESOLUTION TIPS – FRAUD

Labor Code section 4615 places an automatic stay on liens filed by or on behalf of physicians and providers who are criminally charged with certain types of fraud. The automatic stay prevents those liens from being litigated or paid while the prosecution is pending. Not all providers charged with fraud are marked 4615 in EAMS.

Amir Friedman, 54, an anesthesiologist, of Calabasas, California, was charged for his alleged participation in a conspiracy to commit honest services mail and wire fraud and Travel Act violations involving approximately \$800,000 in kickbacks for compounded pharmaceutical drugs involving New Age Pharmaceuticals, Inc.

WORKERS' COMPENSATION APPEALS BOARD
STATE OF CALIFORNIA

Applicant, [REDACTED]
vs. [REDACTED]
Defendant

) Case No. [REDACTED]
) PETITION FOR DETERMINATION OF
) NON-IBR MEDICAL-LEGAL DISPUTE
) FILED BY [REDACTED]
)

- We tend to conflate “medlegal” with “non-IBR.”
- They are two separate processes.
- It diverges at the point of Defendant’s partial payment vs. nonpayment.

The first opportunity for objection to the petition is as to whether or not the Non-IBR petition is proper on grounds that, either, it is:

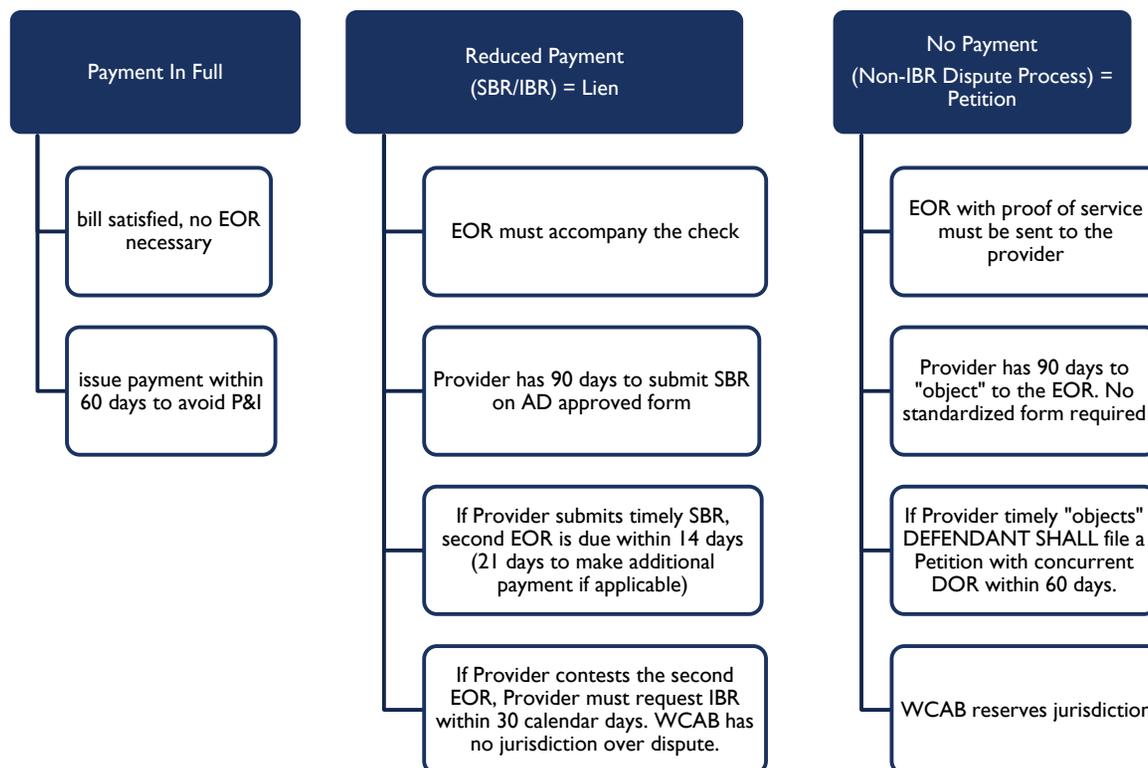

- 1) not based on medlegal services; or:
- 2) is based on a fee dispute, subject to SBR/IBR.

MEDICAL LEGAL DISPUTE RESOLUTION PROCESS

AMLS is *recommending* the following process for all Medical-Legal bills:

- All Medical-Legal bills (ML medical appointments, legal interpreting, vocational rehabilitation experts, and copy service expenses) require an Explanation of Review (EOR) within 60 days of receipt of the bill.
- When the claims administrator receives the medical-legal bill, they will either:
 - Issue payment in full (satisfying claim); or
 - Issue partial/fee schedule payment; or
 - Issue no payment.

MEDICAL LEGAL DISPUTE RESOLUTION PROCESS

MEDICAL LEGAL DISPUTE RESOLUTION PROCESS

Failure by provider to follow the timelines and form requirements deems the bill satisfied.

Failure by defendant to follow the timelines and for requirements opens them up to attorney fees, sanctions, and costly litigation.

LABOR CODES AND REGULATIONS

- CA Labor Code 4060
- CA Labor Code 4061
- CA Labor Code 4622 – Rules to follow when disputing payment (see flowchart) – failure to comply mandates 10% Penalty and 7% Interest
- CA Labor Code 4621 - Rules for first 60 days of a claim absent a denial notice
- § 10451.1 Determination of Medical-Legal Expense Disputes
- § 10451.1 (g) – Outlines potential liability for Costs and Fees

KEY DECISIONS – COPY SERVICE

- Colamonico v. Secure Transportation
- En banc decision
- It is the Lien Claimants/Petitioners burden to prove their services were reasonable AND necessary
- Defendants failure to object to bill or send Explanation of Review NO longer waives all defenses
- Defendants can dispute the reasonableness or necessity of a medical-legal expense

We recommend following the dispute process in the previous section; however this new decision does provide relief to defending against unreasonable services.

KEY DECISIONS – INTERPRETING MARKET RATE

- Maria Becerra, Applicant v. Slik Apparel, Employers Compensation Insurance Company, Defendants, 2019

“WCAB, rescinding WCJ’s decision, returned matter to trial level for further proceedings regarding market rate of lien claimant’s interpreting services as defined in 8 Cal. Code Reg. § 9795.1(e), when market rate evidence submitted by lien claimant at trial was insufficient to establish market rate because it only included information from accounts which were paid in full by defendants and none where lien claimant accepted less than full payment”

KEY DECISIONS – 4903.8(D) LIEN DECLARATION

- Fernando Calderon, Applicant v. Matharu Assisted Living, State Compensation Insurance Fund, Defendants, 2019 [Petition for Writ of Review filed 10/25/2019]

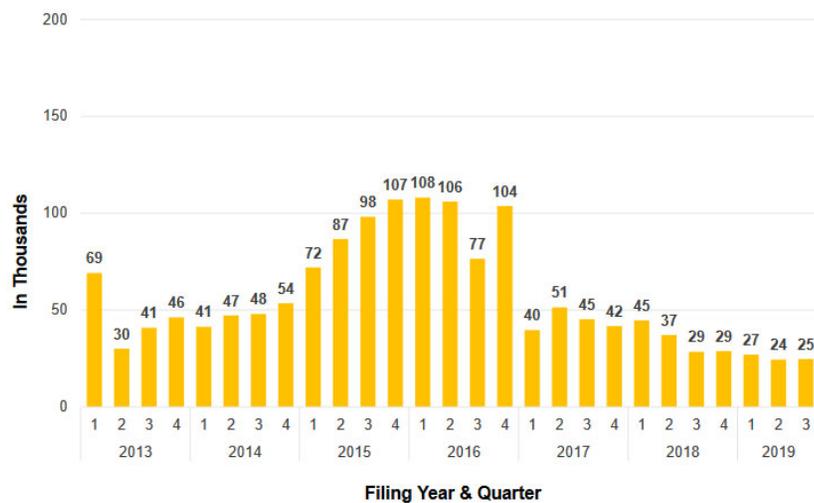

“WCAB affirmed WCJ’s finding that lien claimant failed to timely file Labor Code § 4903.8(d) lien declaration and, therefore, was not entitled to recover on its 11/7/2012 lien, when lien claimant did not file declaration until 11/15/2017”

- Volume of liens decreasing but complexity of liens filed increasing
- Litigious Collection Companies that work off a % instead of reason
- Statute of Limitation – Still a Triable issue
- Fee Schedule and IBR Issues
- Difficult WCAB Locations or Judges
- **Service of Discovery - Medical Provider vs Non-Medical** Petition for Costs from Copy Services and Interpreters
- Unpaid Settled Liens (files are being re-opened) – please pay settlement confirmations timely
- Inability to proceed with Lien Trials due to COVID-19
